FEMA number: –

REACH number: **01-2120085380-59**

Stabilizer: **None added**

Solvent: **None added**

Firmenich code: **978880**

PERFUMERY USAGE

RHUBOFIX® has the ability to fill out a fragrance. It blends very well with woody, spicy, rose, bergamot and lavender notes. With salicylates, interesting spicy effects can be obtained particularly if sweetened by heliotropin or similar materials. Its delicate green-woody nuance also harmonizes effectively with citrus notes, in particular lemon and grapefruit.

Tenacity

Lasts 4 days on a smelling strip.

PHYSICO-CHEMICAL PROPERTIES

appearance	colourless liquid
flashpoint	>100°C
vapour pressure	0.62 Pa at 20°C
purity	min 70%
log p (measured)	4.58
molecular weight	204
