

SPECIFICATION SHEET

Last Revision Date: 08/01/2017
Preparation Date: 07-June-2018

Product Name:	Beeswax Absolute
Robertet Product Code:	00230120
Synonyms:	Cire d'abeilles
Description:	Absolute extracted through a volatile solvent
Origin:	Animal
Animal Species:	Apis mellifera
INCI Name	Beeswax
Chemical Name	Beeswax
CAS No.	8012-89-3
EINECS No:	232-383-7
FEMA Number:	2126
FDA Number:	184.1973
Appearance:	Brown-red
Odor:	Characteristic
Physical State:	Thick liquid
Flash Point:	100 °C / 212 °F
Method:	Closed cup
Specific Gravity @ 20/20 °C:	N/A
Refractive Index @ 20°C:	N/A
Ethyl Alcohol (internal standard) w/w:	0.00% - 3.00%
Acid Value:	60.00 - 125.00
Ester Value:	30.00 - 130.00

Storage / Shelf life:

Store in cool temperature (less than 18 degrees celsius), protected from air and light for 18 months in its original hermetically sealed container.
